EDUCATION

Bachelor of Arts in Telecommunication, Media and Information Studies

Michigan State University - 2008

EXPERIENCE

Solar Array Design Team/Installer: June 2017 - Present

AltEnergy Incorporated - Boise, ID

- 8 months of solar install experience before promotion to corporate design office.
- Work directly with national Managers and Sales to create pre and post sales engineering docs.
- Working knowledge of NEC code requirements and technological capabilities to fit clients needs.

Information Technologies Help Desk Agent: September 2016 - April 2017

Amway Hotel Corporation - Grand Rapids, MI

- First contact to troubleshoot and help any fellow employees or guests with any I.T. issues.
- Trusted with keys and passwords to both physical and digital infrastructure of large corporation.

General Manager/Front Desk Agent: November 2013 - August 2016

Mafolie Hotel & Restaurant - St. Thomas, USVI

- Oversaw cash flow, scheduling, IT, HR and any issue a multi-million dollar hotel presents.
- On-call work environment that has me accustomed to open, clear and constant communication.
- Was an effective alternate for any and all jobs at this 30 employee property.

Board Operator & Production Assistant: January 2009 - November 2013

Townsquare Media Group: Media/Radio Conglomerate - Grand Rapids, MI

- Control the airwaves for remote broadcasts of talent out on location.
- Create and program commercials and media for Townsquare's five local radio stations.

Master Video Editor: September 2011 - June 2013

ToolSELECT.com: Start-up Marketing Firm/Website - Grand Rapids, MI

- Routine use of Final Cut Pro 7 for videos completed daily as well as occasional camera work.
- Video and audio file management for a constant stream of video and web oriented projects.
- Management over three external editors in order to handle large influxes of video work.

Production Assistant: January 2009 - October 2011

Grand Rapids Community Media Center: GRTV - Grand Rapids, MI

- Help members of the community with equipment, video editing and live studio shoots.
- Set-up, operate, direct & facilitate the use of our mobile video studio for special events.
- Film and edit GRTV productions such as Kent County Meetings and Community Story Tree.
